**Adolescent Swim Agreement**

As stated in the HGSC Rules and Regulations under # 2 ~

*All children, under the age of 13, are required to be accompanied at all times in the pool and pool area by his or her own parent or a member who will be directly responsible for them. Day care providers, sitters and siblings must be at least 15 years old to bring younger children to the pool. Children between the ages of 13 and 14 may use the pool without adult supervision only after passing a swimming test. A club lifeguard will administer this test at a mutually agreeable time. All children under the age of 18 are solely the responsibility of their parents.*

If your 13-14 year old child is able to pass the swim test and would like to attend the pool alone, you must sign this agreement together.

I, \_\_\_\_\_ (child's name), agree to adhere to all stated HGSC Rules and Regulations. Upon any non-compliance of these rules, I will receive a verbal warning from the pool staff. If pool staff has to warn me again, I will be asked to contact my parents and make them aware of the occurrence. After a third occurrence, the pool staff and my parents will agree to a probationary time period in which I will not be allowed to attend the pool alone. After said period, with my next occurrence, the pool staff will contact my parents and I will be unable to attend the pool alone for the rest of the summer.

\_\_\_\_\_, the parent(s) of above stated adolescent, understand that my child will be unable to attend the pool alone, if he/she does not comply with HGSC Rules and Regulations. I agree to be responsible for all my child's actions when they are attending the pool alone. I also agree to be open to communication from the pool staff regarding incidents occurring while my child attends the pool alone.

*Sincerely,*

*Your Hampton Green Swim Club*
